§ 4 Capital Stock and Shares

- (1) The capital stock amounts to Euro 918,845,410.90 .
- (2) The capital stock is divided into 356,743,118 ordinary shares and 2,677,966 non-voting preference shares.
- (3) The ordinary shares and the preference shares are made out to the bearer.
- (4) The non-voting preference shares have preference in the payment of dividends pursuant to § 21 of these Articles of Association.
- (5) The Company reserves to itself the right to resolve on the issuance of further preference shares which, in respect of the distribution of profits or the Company's assets, may rank prior to, or pari passu with, the already existent non-voting preference shares.
- (6) The form of physical share certificates, dividend warrants and renewal coupons shall be determined by the Management Board with the Supervisory Board's approval. The Company may issue multiple share certificates evidencing several shares (global certificates). The shareholders right to demand issuance of certificates for their shares in the Company and the dividend warrants and renewal coupons shall be excluded, except to the extent that the issuance of such certificates is required under the rules of a stock exchange on which the Company's shares are listed.
- (7) The Management Board is authorised, with the consent of the Supervisory Board, to increase the capital stock of the Company on one or more occasions in the period until 12 February 2024 by issuing new ordinary bearer shares in exchange for contributions in cash and/or in kind by up to a maximum amount of 321,600,000 euros (authorised capital). As a general rule, the shareholders

are entitled to subscription rights in this respect.

Pursuant to § 186 (5) sent. 1 German Stock Corporation Act, the new ordinary shares may also be taken over by one or more credit institution(s) designated by the Management Board or by one or more companies operating in accordance with § 53 (1) sent. 1 or § 53b (1) sent. 1 or (7) of the German Banking Act (*Gesetz über das Kreditwesen*), subject to the obligation to offer them to the shareholders for subscription (so-called indirect subscription right).

However, the Management Board is authorised, with the consent of the Supervisory Board, to exclude the shareholders' subscription right in the following cases:

- (1) for the compensation of fractional amounts;
- (2) if the ordinary shares are issued against contributions in kind for the purpose of corporate mergers or for the acquisition (also indirectly) of companies, divisions of companies, operational activities, branches of activity or company interests and the pro-rata amount attributable to the new ordinary shares issued subject to an exclusion of subscription rights does not exceed a total of 10 percent of the capital stock existing at the time this authorisation becomes effective;
- (3) to implement a so-called scrip dividend, in which case the shareholders are offered to contribute their claim for payment of the dividend to the Company (in whole or in part), as contribution in kind against granting of new shares from the authorised capital;
- (4) in the event of a capital increase in exchange for cash contributions to the extent necessary to grant subscription rights to new ordinary shares to the holders of warrant or convertible bonds issued by the Company or such affiliates in which the Company holds at least 90 percent of the shares, directly or indirectly, in the scope to which they would be entitled upon exercise of the warrant or conversion right or fulfilment of the warrant or conversion obligation, or upon exercise of a substitution right of the Company as shareholder;
- (5) in the case of capital increases against cash contributions, if the pro-rata amount of the capital stock attributable to the new ordinary shares issued subject to an exclusion of subscription rights in accordance with § 186 (3) sent. 4 German Stock Corporation Act does not exceed a total of 10 percent of the capital stock, either at the time this authorisation becomes effective or – if this value is lower – at the time it is exercised, and if in each case the issue price of the new ordinary shares is not significantly falling short – within the meaning of §§ 203 (1) and (2), 186 (3) sent. 4 of the German Stock Corporation Act – of the stock exchange price of the ordinary shares of the Company with the same features already listed. The limit of 10 percent of the capital stock is diminished by the portion of the capital stock attributable to the Company's ordinary shares which during the term of the authorised capital (i) are issued or disposed of as treasury shares subject to an exclusion

of the shareholders' subscription rights in application, direct or *mutatis mutandis*, of § 186 (3) sent. 4 German Stock Corporation Act, or (ii) are issued from contingent capital to satisfy warrant or convertible bonds which themselves were or are issued without subscription rights in application, *mutatis mutandis*, of § 186 (3) sent. 4 German Stock Corporation Act.

In total, ordinary shares issued against contributions in cash or in kind in accordance with this authorisation subject to an exclusion of the shareholders' subscription rights in accordance with no. 2 or 5 may not amount to more than 10 percent of the capital stock existing at the time the authorisation becomes effective. Ordinary shares that are newly issued subject to an exclusion of the subscription right in direct or analogous application of § 186 (3) sent. 4 German Stock Corporation Act, or which are issued for the fulfilment of warrant or convertible bonds which themselves are issued during the term of the authorisation subject to an exclusion of the subscription right in analogous application of § 186 (3) sent. 4 German Stock Corporation Act, are to be counted towards this maximum limit.

The Management Board is authorised, with the consent of the Supervisory Board, to determine further details of the capital increase.

- (8) The capital stock is conditionally increased by up to 127,825,000 euros, divided into up to 50,000,000 ordinary bearer shares (Contingent Capital). The conditional capital increase shall only be executed insofar as the holders of warrant or conversion rights or those with conversion or warrant obligations arising from warrant or convertible bonds issued or guaranteed by CECONOMY AG or an affiliate of CECONOMY AG in terms of § 18 German Stock Corporation Act, in which CECONOMY AG holds at least 90 percent of the shares, directly or indirectly, based on the authorisation adopted by the General Meeting of 13 February 2019 under Agenda Item 9, exercise their warrant or conversion rights or, insofar as they are obligated for conversion or to exercise warrants, fulfil their obligation for conversion or for exercise of warrants, or insofar as CECONOMY AG exercises an option to provide ordinary shares of CECONOMY AG in lieu of paying the cash amount due, in whole or in part. The conditional capital increase shall not be executed insofar as a cash settlement is provided or treasury shares or shares of another listed company are used for the fulfilment.

The issue of the new ordinary shares is effected at the warrant or conversion price in each case to be determined in accordance with the authorisation resolution set forth above. The new ordinary shares participate in profits from the beginning of the financial year in which they are created; to the extent legally permissible, the Management Board may, with the consent of the Supervisory Board, determine the profit participation of new ordinary shares in deviation from the foregoing and from § 60 (2) German Stock Corporation Act, also for a financial year that has already expired. The Management Board is authorised, with the approval of the Supervisory Board, to determine the further details of the implementation of the conditional capital increase.

The Chairman of the Supervisory Board – or the Vice Chairman in the event of the Chairman of the Supervisory Board stepping down from office – may consent

to a shortening of this period or a waiver of the observance of the period. This shall not affect the right to step down from office for good cause.

§ 8 Chairman and Vice Chairman

- (1) The Supervisory Board will elect a Supervisory Board Chairman and Vice Chairman from among its members with the majority prescribed by law.
- (2) Should the Chairman or his deputy (Vice Chairman) step down from the Supervisory Board or resign from office, the Supervisory Board shall promptly proceed to the election of a successor to this office.

§ 9 Convocation of Meetings of the Supervisory Board

- (1) Supervisory Board meetings shall be convened by the Chairman at 14 days' notice in writing, by telex, cable, fax or by means of electronic or other media. In urgent cases, the Chairman may reduce the term of notice and convene a meeting orally or by telephone.
- (2) The invitation shall be accompanied by an itemized agenda. Agenda items not communicated in due time may effectively be resolved at the meeting as long as no Supervisory Board member objects to such procedure.

§ 10 Supervisory Board Resolutions

- (1) Resolutions shall be adopted by the Supervisory Board at meetings. The Chairman may accept the participation of Supervisory Board members in a meeting and adoption of resolutions by way of a telephone or video conference. If ordered by the Chairman of the Supervisory Board, resolutions may also be passed outside of meetings by submitting votes in writing, by telephone, fax, electronically or in an equivalent form. For the adoption of resolutions outside of meetings, the following provisions shall apply analogously.
- (2) The Supervisory Board shall be deemed to have a quorum if, after inviting all its members, not less than one half of all its mandatory members participate in the adoption of the resolution. Members who are joining by way of telephone or video conference shall be deemed to be attending. A member shall also be deemed to participate in the adoption of a resolution if it abstains from a vote. At any rate, not less than three members shall participate in a vote.
- (3) Absent Supervisory Board members may participate in the passing of resolutions by submitting votes through other Supervisory Board members that were

transmitted in writing, by fax, electronically or in a comparable form (voting messages).

- (4) Resolutions shall be adopted by a simple majority of the votes cast, unless mandatory legal provisions provide otherwise. An abstention shall not be deemed a vote.
- (5) The Chairman will determine the order in which the agenda items shall be dealt with, as well as the mode and order of voting.
- (6) Minutes of the meeting shall be prepared to record the items dealt with and resolutions passed by the Supervisory Board; such minutes shall be signed by the Chairman of the meeting or – in the event of resolutions adopted outside a meeting – by the officer managing the voting procedure.

- (2) Each committee may appoint a Chairman from among its members unless such Chairman is appointed by the Supervisory Board itself.
- (3) For the procedures to be adopted by the committees, the provisions of §§ 9, 10 shall apply analogously. Should any voting result in a tie, the Chairman shall have two votes in a second ballot on the same item if it again results in a tie. Such second vote, too, may be cast in writing analogously to § 10 (3).

§ 12 Code of Procedure, Declarations of Intent

- (1) The Supervisory Board shall establish its own Code of Procedure by virtue of the law and in accordance with these Articles of Association.
- (2) The Chairman or, should he be unable to do so, the Vice Chairman, shall be authorised to make the declarations on behalf of the Supervisory Board that are essential to implement the resolutions of the Supervisory Board and its committees.

§ 13
Remuneration of the Supervisory Board

- (1) The members of the Supervisory Board shall receive a fixed annual remuneration. This fixed remuneration shall amount to 80,000 euros for each member.
- (2) The Chairman of the Supervisory Board shall receive triple, his deputy and the chairmen of the committees shall each receive double and the other members of the committees shall each receive one and a half times of the amount stipulated in (1). This shall not apply with regard to the chairmanship and the membership in the committee pursuant to § 27 (3) German Co-Determination Act. The remuneration for a membership or the chairmanship in a committee shall only be paid if at least two meetings or other adoptions of resolutions of this committee have taken place in the respective financial year. If a member of the Supervisory Board holds several of the offices specified in sent. 1 at the same time, he shall receive only the remuneration for one office, in the case of different remunerations for the office with the highest remuneration.
- (3) The remuneration shall be payable at the end of the respective financial year.
- (4) Supervisory Board members who served on the Supervisory Board only for part of the financial year, shall receive one twelfth of the remuneration for each month of service or any part of such month. Supervisory Board members who leave the Board and are newly appointed within one month shall receive only one twelfth of the annual remuneration for that month. This shall apply accordingly with regard to memberships in a committee, the chairmanship or the deputy chairmanship in the Supervisory Board or the chairmanship in a committee.

- (2) Even after their resignation from office, Supervisory Board members shall not disclose to third parties any of the confidential information, data and secrets of the Company that may have come to their attention during their term of office. In the event that a Supervisory Board member intends to pass on to a third party any information for which it cannot be safely precluded that such information is confidential or relates to secrets of the Company, such member will be obligated prior to any disclosure to consult the Chairman for comment thereon.

V. GENERAL MEETING

§ 15 Venue, Convening

- (1) The General Meeting shall be held at the Company's registered office, at the location of a German stock exchange or in another city in the Federal Republic of Germany with more than 500,000 inhabitants.
- (2) The convening must be made public at least thirty days prior to the date by the end of which the shareholders have to register for attendance (§ 16 (1)). In this regard, the day of publication shall not be included in the calculation.

§ 16 Right to Attend

- (1) Holders of ordinary shares are entitled to attend the General Meeting and to exercise their voting rights, holders of preference shares are entitled to attend the General Meeting– and, in the cases provided for by statutory law, also to exercise their voting rights – if they have registered for the General Meeting in advance. The Company must receive the registration at the address specified in the invitation to the General Meeting in text form, and in the German or English language, at least six days prior to the General Meeting, not including the date of receipt and the date of the General Meeting.
- (2) The right to attend the General Meeting or to exercise voting rights must be verified. For this purpose, a verification of share property in text form from the last intermediary pursuant to § 67c (3) German Stock Corporation Act is required. The verification of share property must relate to the beginning of the 21st day prior to the date of the General Meeting and must be received by the Company at the address specified in the invitation to the General Meeting at least six days prior to the General Meeting, not including the date of receipt and the date of the General Meeting. Only persons/entities which have provided verification will be regarded as shareholders vis-à-vis the Company for attendance at the General Meeting or the exercise of voting rights.
- (3) The Management Board may allow and define procedures for shareholders to participate in the General Meeting even without attending or appointing a proxy, and to exercise all or some of their rights in whole or in part by means of electronic communication.

§ 17 Chairmanship

- (1) The Chairman of the Supervisory Board, or another Supervisory Board member designated by him, shall preside over the General Meeting. In the event that neither the Chairman of the Supervisory Board nor the Supervisory Board member designated by him takes the chair, the members of the Supervisory Board present at the General Meeting shall elect the person who is to preside over the meeting.
- (2) The Chairman presides over the meeting, determines the order of business to be transacted at the meeting and decides on the mode and form of voting. He may permit video and audio broadcasts of the General Meeting. The voting result may also be determined by deducting the number of ayes or nays and abstentions from the total number of votes of shareholders with voting rights.
- (3) The Chairman has the right to set an appropriate time limit for the shareholders' right to ask questions and speak. In particular, he has the right to set a time frame for the shareholders' right to ask questions and speak for the entire General Meeting, on individual agenda items and for individual speakers.

§ 18 Voting Right

- (1) One ordinary share confers one vote.
- (2) Voting rights may be exercised by proxy. Unless a lesser requirement is provided by law, proxies may only be issued, revoked and documented vis-à-vis the Company in text form. The provisions in § 135 German Stock Corporation Act shall remain unaffected. A lesser requirement may be determined in the invitation to the General Meeting.
- (3) The Management Board may allow and define procedures for shareholders to cast their votes even without attending the General Meeting, in writing or by means of electronic communication (postal vote).
- (4) Except as otherwise provided by the law, preference shares do not confer votes.

§ 19 Majority prerequisites

Unless mandatory statutory provisions stipulate otherwise, resolutions will be adopted by the General Meeting by simple majority of votes cast; in cases where a majority of the capital stock is prescribed, the simple majority of the capital stock represented thereat will suffice to pass a resolution. This shall not

apply to resolutions pursuant to § 103 (1) AktG (dismissal of member of the Supervisory Board).

VI. ANNUAL FINANCIAL STATEMENTS

§ 20

Annual Financial Statements and Appropriation of Profits

- (1) During the first three months of a financial year, the Management Board shall draw up the annual financial statements and the management report for the past financial year and present them without undue delay upon completion to the Supervisory Board. At the same time, the Management Board shall present to the Supervisory Board the proposal for the appropriation of the balance sheet profit it intends to make to the General Meeting.
- (2) The Supervisory Board shall appoint the independent auditors for the audit of the annual financial statements.
- (3) On adopting the annual financial statements, the Management Board and the Supervisory Board shall be authorised to transfer to the other reserves retained from earnings all or part of such net income as remains after appropriation of the required amounts to the legal reserve and after deducting any loss carried forward. The transfer of more than one half of the net income to the other reserves shall not be permissible to the extent that such reserves would after such transfer exceed fifty percent of the capital stock.
- (4) When deciding on the appropriation of balance sheet profits, the General Meeting may adopt a resolution for a distribution in kind instead of or in addition to a cash distribution.
- (5) In the event of a capital increase, the participation in profits of new shares may be determined in derogation of § 60 (2) sent. 3 German Stock Corporation Act.
- (6) After the close of a financial year, subject to the Supervisory Board's consent, the Management Board may distribute an interim dividend to the shareholders pursuant to § 59 German Stock Corporation Act.

§ 21

Distribution of Profits

- (1) Holders of non-voting preference shares will receive from the annual balance sheet profits an advance dividend of Euro 0.17 per preference share which is to be paid in arrears.

- (2) Should the balance sheet profits available for distribution not suffice in any one financial year to pay the advance dividend, the arrears (excluding any interest) shall be paid from the balance sheet profits of future financial years in an order based on age, i.e. in such manner that any older arrears are paid off prior to any more recent ones and that the preferred dividends payable from the profit of a financial year are not distributed until all of any accumulated arrears have been paid.
- (3) After the advance dividend has been distributed, the holders of ordinary shares will receive a dividend of Euro 0.17 per ordinary share. Thereafter, an extra dividend of Euro 0.06 per share, which does not have to be paid in arrears, will be paid to the holders of non-voting preference shares. The extra dividend shall amount to 10 percent of such dividend as, in accordance with para. 4 below, will be paid to the holders of ordinary shares, to the extent such dividend equals or exceeds Euro 1.02 per ordinary share.
- (4) The holders of non-voting preference shares and of ordinary shares will equally share in any additional profit distribution in the proportion of their shares in the capital stock.
